

ENVIROMENTAL POLICY
Rev.0. March 2019

ITRAM HIGIENE S.L focuses its activity on hygiene in the food and agri-food industry, comercializing a wide range of specialty chemicals, detergents, disinfectants and also bringing technical advice and assessment on food hygiene to its customers. Itram Hlgiene aims to offer a quality service, reaching its customers on-time and providing proper and efficient answers to them. In this sense, being aware of the environmental impact of its activities, it has opted for the implementation of an Environmental Management System in accordance with ISO 14001 Standard, with the purpose of integrating environmental protection in its management development.

Itram's Environmental Policy is fundamentally based on the following pilars:

- Obeying and helping to enforce the current environmental regulations and requirements voluntarily prescribed.
- Improving countinously its environmental performance through the application of an Environmental Management System.
- Developing work procedures to prevent, reduce and eliminate, whenever possible, the environmental impact of its activities.
